Your face looks good, but your body's not ready  
Face looks good, but your body not ready  
If life was a thing that money could buy {"All My Trials" folk song}  
The rich would live,  
And the poor would die, I can't stand it, no!  
No I can't stand it, no!  
If life was a thing that money could buy  
The rich would live, the poor would die,  
I can't stand it, no!  
I can't stand it, no!

Well I get up every morning about 10:13  
Six pack of stout, and a stick of sensi  
Watch TV, watch TV, watcha my window if the TV's broke  
I can't stand it, yeah!  
I can't stand it, yeah!  
I can't stand it, yeah,  
I can't stand it, uh huh

Life was a thing that money could buy  
The rich would live, and the poor would die,  
I can't stand it-no!  
I can't stand it!-no!  
Arleen was a dream what a dream  
Arleen was a dream what a dream  
Arleen was a dream what a dream

Nothing's left but me,

Me and Mrs. Jones.....

Why does a poor man drink champagne,  
He drinks half a beer and feel all the same,  
I can't stand it, no!  
I can't stand it, no!  
Why does a middle man drink champagne,  
He drinks half a beer and feels all the same,  
I can't stand it, no!  
I can't stand it, no!  
Why does a billionaire drink champagne,  
He drinks half a beer and feels all the same,
