

# Widespread Panic, Pickin' Up The Pieces

Pickin' up those pieces  
Pickin' up those pieces  
Putting them away

Not writing you a letter  
Not writing you a letter  
Not today

Not wanting to meet my savior  
Not wanting to meet my savior  
Not this way

Sweating out my worries  
Sweating out my worries  
Just another day  
Just another day  
Just another day
