

wigwam, Wig Wamania

Comerades !

Beloved brothers and sisters in rock !

We are gathered here today to celebrate a true revolution !

A revolution of a state in which we believe

And a state in which we can finally be free

with justice and liberty for all mankind

with an urge to crank up loud guitars

and gather in the spirit of rock and roll

united we stand

united we shall fall

united we shall overcome

Wig Wamania Forever

Wig Wamania forever
