Wilburn Brothers, Don't Let Me Cross Over

Don't let me cross over love's cheating line I'm tempted my darling to sreal you away Don't let me cross over stay out of my way You know that I love you and I'm not the stealing kind And I'm faced with heartaches and love's cheating line Don't let me cross over love's cheating line You belong to another and can never be mine I know one step closer would be heaven divine Don't let me cross over love's cheating line (steel)
I've tried to forget you but what else can I do When your eyes keep sayin' that you love me too I know if I lose you not a dream will I have left I don't want to cheat dear but I can't help myself Don't let me cross over...
