

# Wilburn Brothers, Go Mena Si (I'm Sorry)

On the Island of Japan far away across the sea  
Where the blue Pacific waters seperated you and me  
Where they speak a foreign language and I learned a word or two  
And since I've had a change of heart I'll say these words to you  
Go mena si go mena si I'm sorry I'm sorry but it's too late to try  
For the love that we knew then can never be again I'm sorry I'm sorry go mena si  
( steel )  
We're together once again but it's only for goodbye  
I just hope you understand it and I wish you wouldn't cry  
Oh I tried to lie and tell you that my love for you was gone  
And I guess the only reason you were out of reach too long  
Go mena si go mena si...
