

Wilburn Brothers, If You're With Me

I will ask for nothing more if you're with me
I'll know what I'm living for if you're with me
I can walk life's many miles every step will be worthwhile
Although weary I'll still smile if you're with me
There's no place that I won't go if you're with me
I'll know all I need to know if you're with me
I'll face up to anything all the worst that life can bring
Through the bad times I'll still sing if you're with me
I'll face up to anything...
