

Wilburn Brothers, Let It Be Me

I bless the day I found you I want to stay around you
And so I beg you let it be me
Don't take this heaven from one if you must cling to someone
Now and forever let it be me

Each time we meet love I find complete love
Without your sweet sweet love what would life be
So never leave me lonely tell me you love me only
And that you'll always let it be me
So never leave me lonely...
Now and forever let it be me
