

Wilburn Brothers, Never Be Anyone Else But You

There'll never be anyone else but you for me
Never ever be just couldn't be anyone else but you

If I could take my pick of all the girls I've ever known
Then I'd come and pick you out to be my very own
There'll never be anyone else...

A heart that's true and longs for you is all I have to give
All my love belongs to you as long as I may live
There'll never be anyone else...

I never will forget the way you've kissed me
And when we're not together I wonder if you miss me
Cause I hope and pray the day will come when you'll belong to me
Then I've gone to prove to you how true my love can be
There'll never be anyone else...
Never ever be just couldn't be anyone else but you
Never ever be just couldn't be anyone else but you
