

# Wilburn Brothers, One Has My Name (The Other

One has my name the other has my heart  
With one I'll remain that's when my heartaches start  
One has brown eyes the other's eyes're blue to one I am tied to the other I am true

One has my love the other only me but what good is love to a heart that can't be free  
So I'll go on living my life's just the same one has my heart the other has my name  
( steel - fiddle )  
One has my name the other has my heart...

One has my love the other only me but what good is love to a heart that can't be free  
If I could live over my life I would change  
The one who has my heart would also have my name
