

Wilburn Brothers, Time Changes Everything

There was a time when I thought of no other and we sang our own love's refrain
Our hearts beat as one as we had our fun but time changes everything
You can change the name of an old song rearrange it and make it swing
I thought nothing could stop me from loving you but time changes everything
(fiddle)

The time has passed then I have forgotten mother nature does wonderful things
I guess it is true for me and for you that time changes everything
So goodluck to you may God bless you I can't say I won't love again
You've gone your way now I'll go mine cause time changes everything
