

Wilburn Brothers, We Need A Lot More Happiness

We need a lot more happiness we need a lot less loneliness
Need a lot more laughin' a little less cryin' we need a lot more happiness

Well the sun's a gonna shine on anyone wish we got sense enough to get out in it
Then you're gonna find that life's worth livin' it'll just learn how to live it
We need a lot more happiness...

This old world's got lots of troubles I look around and that's all I'm seein'
And I want you to know if you've got troubles
Don't you know they're not worth keepin'
We need a lot more happiness...

(steel)

So you say you wanna be a big millionaire well I'd like to have a million too
But if I never got to be a big millionaire then I'll settle for the love that's true
We need a lot more happiness...
We need a lot more happiness...
