

Wilburn Brothers, Who Could Ask For More

So what if the world stops turning I don't care if the sun doesn't shine
And if all of the leaves on the trees start to fall
I won't mind at all cause I've got my world I've got my girl
And who could ask for more
Who could ask for more than the happiness I found
Some folks search for rainbows but my rainbow's all around
So what if the sky turns cloudy and the birds should forget all their songs
If the hands on the clocks call its stops and don't turn
I won't give a damn cause I've got my world I've got my girl
And who could ask for more
