

Wild Motherfuckers, Fother mucker

Wild fother mucker (chopped up)

Never ever take me for a fool or a sucker
'Cause you will pay the price to a wild fother mucker
I'm a bad fother mucker, never out of style
I'm a never out of lucker that is far too wild
Bitches know me for a clitsucker, no denial
When I crash at your party it's the cops they dial
'Cause I know how to roll 'cause you know I'm a rocker
The sun blocker always with a key to the locker
Never ever take me for a fool or a sucker
'Cause you will pay the price to a wild fother mucker
Hey man, you said fother mucker instead of motherfucker
Yes I did!

Well, what the hell is a fother mucker?

A fother mucker has a serious design defect
Never play him for a sucker 'cause he earns respect
It's like a CD in your system that you can't eject
It's the hardstyle DJ that just wrecked your neck
A fother mucker has a serious design defect
Never play him for a sucker 'cause he earns respect
Like the best looking bitches keep your dick erect
I'm a wild fother mucker, motherfucker dig that!
A wild fother mucker!

Motherfucker!

Never ever take me for a fool or a sucker
'Cause you will pay the price to a wild fother mucker
