

# Wild Orchid, Declaration

If I told you once  
I've told you a thousand times  
But you never listen to me  
I just wanna be free to live  
To live my life  
I don't want your thoughts  
Or your opinions about me

## B-Section

You think you tell me what I wanna know  
But I only listen  
To what I need to hear  
So much drama I don't understand  
How you make nothing  
Sound so sincere

## Chorus

I'm gonna do what I wanna do  
Say what I wanna say  
Be who I wanna be baby (Repeat)

You're always trying to tell me  
Where I can go  
Or who it is that I can socialize with, baby  
But as long as I don't hurt no one  
Or break no laws  
You're best to know  
I won't put up with it
