

Wild Orchid, Stuttering (Don't Say)

Intro:

Ooooh, oooh, oooh
the time is 3am

,

Intro:

don't say you see what's hap-happening?
You're t-t-t-telling lies
Cuz you're stuttering

,

Verse 1:

It's 3am, and I ain't heard a word
Once again, this ain't what I deserve
Baby, I'm just about fed up
It's crazy
I'm wonderin' if you give a f-f-f-damn
I tell myself I should turn up the heat
And watch you melt, I play the game
You can't fake me, like you've done before
Baby, rest assured I'm not about to take no more

,

If you think that you're talking your way out of this
Well, it's just not happening
Cuz I'm so sick and tired of all your s-s-s-stuttering
I'm not listening

,

Chorus:

Don't say you're s-s-sorry
Don't say you a-a-a-apologize
No way, I've heard your stories
And boy you can't disguise
You're t-t-telling lies
Don't say you're g-g-gonna change
No way, your playing games
Too late, I can see what's happening
Y-you're t-t-telling lies, cuz you're stuttering

,

Verse 2:

T-t-today junior, come on
Picture this, I'm erasing you off my list
And then replacing you quickly
Baby with the past
Don't trick me
Baby, you can kiss my a-a-a-ask me words
To clean the slate
But burn me twice, and that's your final play
Temp me, you'll be out the door
Baby, rest assured I'm not about to take no more

,

If you think that you're smoothing it over with words
Well, it's just not happening
Well, I just can't believe you with all that I've heard
Stuttering, I'm not listening

,

Chorus:

Don't say you're s-s-sorry
Don't say you a-a-a-apologize
No way, I've heard your stories
And boy you can't disguise
You're telling lies
Don't say you're g-g-gonna change
No way, your playing games
Too late, I can see what's happening
Y-you're telling lies, y-you're stuttering (Echoes)

I close my eyes
And dream about the way things could happen
But it's no surprise
When I wake up, single again

don't
d-d-don't say
there's no w-w-way
there's not way, yeah yeah
Why do you stutter?

Chorus:
Don't say you're s-s-sorry
Don't say you a-a-a-pologize
No way, I've heard your story
You know you can't disguise
You're just telling lies
Don't say you're g-g-gonna change
No way your playing games
Too late, I can see what's happening
Y-you're telling lies, y-you're stuttering

It's alot to get over
Yeah yeah
And I have to wonder
Yeah yeah
If it's just a little
Yeah yeah
Then why do you stutter?

Chorus:
Don't say you're s-s-sorry
Don't say you a-a-a-pologize
No way, I've heard your story
And boy you can't disguise
You're telling lies
Don't say you're g-g-gonna change
No way your p-playing games
Too late, I can see what's happening
Y-you're telling lies, y-you're stuttering

(Song fades out)
