

Wild Orchid, You're No Good (But I Like It)

Don't worry about me, don't worry about you
'cause everything you do, boy I've done too
Don't worry about me, don't worry about you
'cause everything you do, boy I've done too

A little bit of Heaven, and a little bit of Hell
You know the words to say and you say it well
I know your little secret, I know your little lie
So go on tell me I'll believe your alibi.

You set the stage and you're playing a part,
But I've always known who you really are.
So intellectual

Chorus:
You're no good
You're no good
You're no good
Baby, you're no good

I'm gonna say it again
You're no good
You're no good
You're no good

Baby, you're no good, but I like it

A little bit of torture, a little bit of peace
And your demeanor covers your real need
I hear your little whisper, I hear your little sigh
But are you bored with all those social butterflies

I'll give my life, just lay in the dark
'cause I've always known who you really are
So intellectual
You're no good
You're no good
You're no good
Baby, you're no good

I'm gonna say it again
You're no good
You're no good
You're no good

Baby, you're no good, but I like it

I know it's wrong, it feels so right
This candle burns without a light
The fire feeds my hunger for your open door
And just a little more
You're no good
You're no good
You're no good
Baby, you're no good

I'm gonna say it again
You're no good
You're no good
You're no good

Baby, you're no good, but I like it
