

Wilderness, Post Plethoric Rhetoric

o post plethoric
rhetoric rhetoric
oh to harmony
the last spoken word
the genus absurd
o to eternity
the standing word
as the flying bird
as what there is to see
the knick of blur
from the cell phone slur
whispers "be free"

o commuter commuter
in your money money
as what there is to see

()

o computer computer
in your money moment
as what there is to see

moving in the secret
o what is to be to be
glowing in the secret
o modernity ity
moving in the secret
as you are to me
glowing in the secret
o modernity
