

Wildhearts, Getting It

Getting it cheap
Getting it free
Getting it safe
Getting it sussed
Getting it seen
Getting it praised
Getting it in
Getting it out
Getting it erased
Getting it all the way
So don't ask for what I say
When I'm still getting it right
Getting it, Getting it, Getting it, Getting it, Getting it

Getting it down
Getting it back
Getting it paid
Getting it tight
Getting it loose
Getting it to stay
Getting it hard
Getting it real
Getting it afraid
Getting it all the way
It feels a whole lot better today
Cos I'm still getting it right
Getting it, Getting it, Getting it, Getting it, Getting it

Getting it rich
Getting it poor
Getting it still
Getting it deep
Getting it shut
Getting it true
Getting it good
Getting it bad
Getting it and keeping it
Getting it all the way
It's the same for you and me
We're all still getting it right
Getting it, Getting it, Getting it

I'm still getting it right
Getting it, Gtting it, Gtting it

You're still getting it right
Getting it, Getting it, Getting it

Getting it, Getting it, Getting it'
On and on and on and on and on

SHUT UP!!
