

# Wildhearts, Hate The World Day

Hey' hey' hey' wake, wake, wake, wake, wake

Wake up bad and I can't sleep back  
If I can't sleep back then I'm waking up black  
And the whole world's covered in crap  
And the folk I see, got a whole lotta smile  
Got a whole lotta smile, like they got it on tap  
Oh well, if I can't do nothing but sit and cry  
Have I something better to do?  
Give me half a bottle and leave me right  
If you lean on me can I lean on you?  
Well can I lean on you with'

Pain (hey, hey, hey, hey)  
Got another day (hey, hey, hey, hey)  
To find another way  
Today is hate the world day  
(Hey, hey, hey, hey, hey)  
I can't get positive (hey, hey, hey, hey, hey)  
Just get it over with  
Today is hate the world day, hate the world day

And if the light's too bright and I wanna have style  
There's a time when I don't wanna open my eyes  
'Til the negativity dies  
'Cos I ain't no use to the world outside, if the world outside isn't giving a' shite  
Oh well, if I can't do nothing but fear and prey for a generation I've sussed  
Then I hold my head up and hear them say:  
We will stick by you if you stick by us  
Maybe we'll be a posse

(hey, hey, hey, hey, hey)  
I'm in the dark again  
(hey, hey, hey, hey, hey)  
I count alone to ten  
Today is hate the world day  
(hey, hey, hey, hey, hey)  
I'd rather be on Mars  
(hey, hey, hey, hey, hey)  
'Cos there it would be calm  
Today is hate the world day, hate the world day

And now and then I get near you  
Something that I might adhere to  
Even though I don't appear to  
I still want you just the same  
But the mood is all I blame  
And tomorrow will I fall in love again?  
Yeah, ah, ah  
Woah, oo-oh

When I wake up bad in a worn out style  
A time when I don't wanna open my' eyes

Oh well, if I can't a-do a-nothing but a-sit and a-cry  
I have a-something better to do  
Give me just one day and I'll make it by  
If you lean on me then I'll lean on you  
Well then I'll lean on you with

Pain (hey, hey, hey)  
Got another day (hey, hey, hey, hey, hey)  
To find another way  
Today is hate the world day

(Hey, hey, hey, hey, hey)

I can't get positive (hey, hey, hey, hey, hey)

Just get it over with

Today is hate the world, today is hate the world, today is hate the world day

Hey, hate the world day

Hey, hate the world day

Hey, hate the world day

Hey, hate the world day

Today, hate the world day
