

Wildhearts, Love U 'Till I Don't

Well I used to think that bad times lay behind me
I used to think I'd had my share of pain
My friends all tried to tell me I was dreaming
But I just stood behind you all the same

So take me down and make me dirty
Well I guess that's all I've ever been

Well I should have realised there ain't no reason
I should have seen the writing on the wall
The Frankenstein you tried creating
To give you trust and I'm still waiting
Take me as I am or not at all

The only thing I ever wanted
Was the only thing you never gave

Ooh, I la-la-la-la-la-la love ya
Until I don't
Ooh, I la-la-la-la-la-la love ya
And if it takes me all my life
Just to get you out my head
Well maybe I'd rather be dead

Waaaaah!

When I get hot she turns away
I wish I'd never called to say
Ooh yeah

Ooh, I la-la-la-la-la-la love ya
Until I don't
Ooh, I la-la-la-la-la-la love ya
And if it takes me all my life
Just to get you out my head
Well maybe I'd rather be dead

Now honey please, now honey please
Now honey please, now honey please
Now honey please, now honey please
Now honey please, now honey please
Now honey please, now honey please
Now honey please, now honey please
Now honey please, now honey please
Now honey please, now honey please
