

# Wildhearts, Woah Shit, You Got Through

I used to feeling alright, I'm used to being alone  
I'm used to staying out nights without a-having a phone  
and now you're well in my life, I never saw you arrive

CHORUS:

woah shit, you got through! I suppose I I...

my friends are out of the view, you're making dinner for two  
you're always keeping in touch, you say I'm drinking too much

you got me lying with ease, I'm only keeping the peace

CHORUS:

woah shit, you got through! I suppose I love...

woah yeah!...

Rock And Roll!...

I wanna see some hands!...

(we're gonna rock) the whole world!

a-there's a lot of trust, and there's a lot of ties  
well there's a lot of girls out there and there's a lot of guys

so why's it got to be us who's gotta jump on the bus?

CHORUS:

woah shit, you got through! I suppose I...

I suppose I...
