

Will Downing, If She Knew

If She Knew

8:45

I knew she'll be coming in real soon
So everyday I come in early
Just to wait for her
She'll sit at her desk
Pull back her hair
Then spray perfume
And as it fills the room
I just close my eyes
And I'll start to fantasize

cause If she knew
Would she come to me
If she knew
Would she run to me
And then say
I love you
Oh I wonder what she'd do
I wonder what she'd do
If she knew
um baby

5 after 1
And usually she'd be back from lunch
And I start to think of all these crazy things
Oh where could she be
Is there someone else
Someone whose living out my dreams
Why can't it be me
I'm gonna say what's on my mind
When she returns

If she knew
That I care for her
If she knew
I'd be there for her and always
I'd be true
oh I wonder what she'd do
I wonder what she'd do

'Cause if I could tell her
Say exactly what I'm feeling inside
I would give my all to you
Dedicate my life to you
Hold you tight and never let go

If she knew
Would she come to me
If she knew
Would she run to me
And then say
I love you
Oh I wonder what she'd do
I wonder what she'd do
If she knew
That I care for her
if she knew baby
I'd be there for her
& always I'd be true

whoa....
I wonder what she'd do
I wonder what she'd do
if she knew.....
ooh baby
oohh if she knew....
