

Will Haven, I've Seen My Fate (Appliance Remix)

Crown me - I am Godlike.

Crown me - I am Godlike.

Now I will reign.

Now I will reign.

Over the decay. The sun will burn

My kingdom of dust. All my subjects:

Slaves to machine. My throne is bleak.

I inherit hell.

Now. Now.

Now I will reign.

Crown me - I am Godlike.

Crown me - I am Godlike.

My throne is bleak.

Crown me - I am Godlike.

Crown me - I am Godlike.

Crown me - I am Godlike.

Crown me - I am Godlike.
