

Will Hoge, Be Together Again

one fine day when those clouds above have gone away
oh i know i'll see you again
and when i do
we're worry cause i still be true
oh and i know that we'll be together again
when night falls
call my love
if you need a day just call
oh and i know
i'll be running back to you
and i will find you no matter how far
no matter what you do
oh and i know that we'll be together again
together again when i see you walking by
well you know it makes me feel so high
fields of flowers blooming in my mind
and this love this love like ours
know it gets a little bit sweeter every time
so when you don't feel so strong hold on hold on
don't you know it won't be long till we're together again?
together again
