

# Will Hoge, Be Together Again

one fine day when those clouds above have gone away  
oh i know i'll see you again  
and when i do  
we're worry cause i still be true  
oh and i know that we'll be together again  
when night falls  
call my love  
if you need a day just call  
oh and i know  
i'll be running back to you  
and i will find you no matter how far  
no matter what you do  
oh and i know that we'll be together again  
together again when i see you walking by  
well you know it makes me feel so high  
fields of flowers blooming in my mind  
and this love this love like ours  
know it gets a little bit sweeter every time  
so when you don't feel so strong hold on hold on  
don't you know it won't be long till we're together again?  
together again
