

Will Hoge, Sunshine Burn

Seven 'til sunrise
and Lord it's good to see those blue skies as we turn
Don't you feel the sunshine
Feel the sunshine burn.
Dance along the shadows
Lord, this time I tiptoed with your smile
Lord, its been a long
long, long while.
Wise man, could you help me find
Lord, the peace that's in my mind?
I had it once upon a time
Back when you were here with me
and I flew so high and free.
If I could write a song
I'd sing it to you soft and low
I don't know the words but this is how it goes:

la la la la la la la la la la la la la la
la la la la la la la la la la la la la la

Wise man, could you help me find
Lord, the peace that's in my mind?
I had it once upon a time
Back when you were here with me
and I flew so high and free.
If I could write a song
I'd sing to you soft and low
I don't know the words but this is how it goes:

singin'
la la la la la la la la la la la la

If I could write a song
I'd sing it to you soft and low
I don't know the words, but this is how it goes:

singin'

singin'
