

Will.I.Am, Fly Girl

I don't want nobody, I don't want nobody
I don't want nobody, Nobody but you babe
I don't want nobody, I don't want nobody
I don't want nobody, but you
It's all so clear, clear to me now
You got up in class, style in your smile
The sun ain't shining, ain't shining when you're gone
All I get is rain, all I get is storm
Cause there's nothing I can do and nothing I can say
Cause I know I couldn't run, should I go, should I stay
Stay here for life and make you my wife
But my ego got me blinded and I couldn't see the light
Love is complicated, only when you fight it
Love is as grace when you touch it like it might
And it's that simple, simple as can be
I'm the only one for you, You're the only one for me
Now you see it takes two, two times charmed
And this time around we fell too strong on
And together we could saw, saw to whatever
And i'll never leave you ever cause forever is forever
Pretty girls have been coming around
I wanna let you know why i've been turning them down
Cause I don't want no other ladies
Telling me they love me
I don't want nobody, I don't want nobody
I don't want nobody, Nobody but you babe
I don't want nobody, I don't want nobody
I don't want nobody, but you
Yeah you're a fly girl -fly girl
Fly girl - fly girl, fly girl - fly girl
I want you to be my girl - my girl
My girl - my girl, my girl - my girl
Oh yeah baby you're a fly girl -fly girl
Fly girl - fly girl, fly girl - fly girl
I want you to be my girl - my girl
My girl - girl, girl - girl, girl
I learned my lesson, thinking about the moments
Spent all long for hours while we're sittng talking holler
Collect the conversations in fact all our relation
I came as to a bubble, love the thing and the sensations
Miss you blow me kisses, a play I cannot miss
I miss what were to hear you when you wishpering your wishes
I never meant to hurt you, I hope you know i'm sorry
Together we can be a happy ending to the story
All we need is trust and just another chance
A little bit of love and romance to advance
I be in night shining, you be my silver lining
A good relationship is precious like a diamond
And i never let you go, and I want to let you know
That I'm opened up to grow
And together we could float, float to whatever
And I'll never leave you ever cause forever is forever
Pretty girls have been coming around
I wanna let you know why i've been turning them down
Cause I don't want no other ladies
Telling me they love me
I don't want nobody, I don't want nobody
I don't want nobody, Nobody but you babe
I don't want nobody, I don't want nobody
I don't want nobody, but you
Yeah you're a fly girl -fly girl
Fly girl - fly girl, fly girl - fly girl
I want you to be my girl - my girl
My girl - my girl, my girl - my girl

Oh yeah baby you're a fly girl -fly girl
Fly girl - fly girl, fly girl - fly girl
I want you to be my girl - my girl
My girl - girl, girl - girl, girl
Pretty girls have been coming around
I wanna let you know why i've been turning them down
Cause I don't want no other ladies
Telling me they love me
