She's a PYT (a pretty young thing)  
But you're the PYT (she's a pretty young thing)  
I was upstairs, she came and woke me  
I was asleep and tired  
She came inside, my primadona  
The girl is my heavenly prize  
The girl's a...  
The girl's a P  
The girl's a Y  
The girl's a T  
The girl's a... She is just the one, right  
The girl's a PYT (my pretty young things)  
PYT (pretty young thing)

[Will. I. Am:]

Damn girl you a sexy thang  
Let me be your lil' sex machine  
Cause you lookin' really cute in them jeans  
I'll peel 'em off like a tangerine  
I can see you in the magazines  
Modeling Maybelline  
Yeah you can be my beauty queen  
Yeah boo, let me be your king... yes  
The girl's a...  
The girl's a P  
The girl's a Y  
The girl's a T  
The girl's a... she is just the one, right  
The girls a PYT (pretty young things)  
PYT (pretty young thing)

[Will. I. Am:]

Pretty young things repeat after me  
Say na na na na na na

[Chorus x2]

[Will. I. Am:]

It's the king of beats  
Rollin' with the king of pop  
Will.I.am non-stop
