

Will.I.Am, She's A Star

You're a star

you're a sta-a-a-ar
you're a sta-a-a-ar
cuz when you shine
baby when you sh-i-i-ine
when you sh-i-i-ine
when you sh-i-i-ine
you'll be lighting up my life (oh)

walking down the aisle together
any time soon, cuz
you goin be my bride and
i'ma be your groom girl
we going stay together baby
through the monsoon and
no matter the weather honey
