

# Will.I.Am, We Are The Ones

We can change the world, na, na, na

We can change the world

I would like to see a cleaner earth for my child that I am bringing into the world very soon

Yo si creo lo que este pais puede ser

(Obama, Obama)

I think that it's time for change

I want a better future for my children

(Obama, Obama)

I would like out environment to be safe

Necesitamos respetar nuestro planeta

Este es nuestro America

Mi America

Tu America

This is our America

Mi America

My America

Tu America

Your America

America de Nosotros

(Obama, Obama)

Cause I want to actually make a difference in my generation

(Obama, Obama, Obama, Obama, Obama, Obama)

I would like to see us in a world without fear

Basically, I would just like the war to end

I would like the rest of the world to think highly of our wonderful country
