

# Will Oldham, Fall And Raise It On

I went down to the ba hoo  
where the wed water flow  
and as the sill was glad  
the fellow buddled uh  
way de fade uh guh  
way de fade uh guh o

sell me a peach o' the ba ho  
ate for the sake of all  
and wasted for the love of  
olive an an a'  
waig an as' a tode  
waig an as' a tode o

(inst.)

fame I'd a said all a ba hoo  
fame all a nod is a game  
a fagen horror  
and a low berra don  
to fall and raise it on  
to fall and raise it on o
