

Will Oldham, Pushkin

God is the answer
God is the answer
God is the answer
God lies within

And you can't say
That I didn't learn from you
And you can't say
That I didn't learn from you
And you can't say
That I didn't learn from you
And you can't say
That I didn't learn from you

God is the answer
God is the answer
God is the answer
God lies within

And I will not have a good time
But leave me just the same
The statue marks the place here
Where Pushkin stook his claim

God is the answer
God is the answer
God is the answer
God lies within

And I guess that
She couldn't tell me
Because she found it
Very frightening
And though a lead slug
Would have felled me
Pushkin rides the lightning
