

# Will Smith, Jazzy's Groove

(This is how it goes)

Give me your attention, stop what you're doin and listen up  
Because my partner in rhyme is about to tear it up  
Jeff, is if someone said that your beats don't excite  
And that your cuts were wack, what would you say (Yeah, right!)  
Jeff's about to give an incredible display  
And unequivocally prove that he's the best DJ  
His name is Jazzy Jeff and he's preparin to shake and make you move  
To this long and strong theme song, Jazzy's Groove

And it'll (make em clap to this)

(Make em clap to this)

Hey yo, Jeff

(Come on, yeah)

And it'll (make em clap to this)

And it'll (make em clap to this)

(Come on, yeah)

You know, a lot of deejays, they're just short pieces of statues  
My deejay's swift and exciting and coming at you  
To other deejays Jeff is just too much  
He doesn't use the line switch as a transform crutch  
Never missin beats, always on time with the rhyme  
You know the scratches are fine when intertwined with a bass line  
Live in concert, Jeff is never Memorex  
You don't believe he's def check the flex

( Jeff cuts up )

(Don't stop to the rhythm, cause I..)

I could talk forever, but still never explain  
Why deejays flee when they hear Jeff's name  
Jeff is number one, even though he just begun  
Rulin hip-hop as if he was Attila the Hun  
We make records, it all adds up a kaleidoscope  
We work hard, so people can't deny that it's dope  
Some music makes you shake, some makes you move  
(Now here's what I want y'all to do...)  
This beat is dope and it's called Jazzy's Groove

(Come on, yeah)

(Come on, yeah)

(Now here's what I want y'all to do)

(Breakdown)

Music has a tendency, a way of makin you feel it  
It's been a secret and Jeff is about to reveal it  
He'll get you hype, no DJ as def as Jeff is  
He makes you smile and bow while he's flexin  
He's a magician of sorts, it's kind of a sport  
Jeff houses the wheels like Michael Jordan the courts  
Ask who's the best and people all say that Jeffrey is  
Here's a math lesson, so you can all see how def he is

(1) plus (1) is (2)

(Once again back its the incredible)

And (2) plus (1) is (3)

(The music just turns me on)

And (2) plus (2) is (4)

(Play it on the radio)

And (1) plus (2) is (3)

(Hit it!)

(Breakdown)

Look, it's simple, just admit it  
Jeff is the deffest, you wanted a battle, forget it  
You're a fool, you're slippin, you're looney, you're crazy  
No ifs, no ands it be just your butt, baby  
The music is dope, don't fight it, just give in  
Hey yo Jeff, man, tell em why you did it  
(I made the beat hype, but still kinda smooth)  
And it's dope, right (For sure)
