

# Will Smith, Just Crusin'

Intro

the maestro  
hot like nitro  
cool as ice though  
That type of docodimy  
Y'all know it's gotta be  
Who else could itbe but me  
rub your eyes but hold the big Billy  
It's dream supreme bean straight from Philly  
It's the electric female attractor rapper slash actor  
right back at it ya  
and to the next millenium many come but few are chosen  
see me servin like the US Open  
another type of hustler listed in blockbuster  
Go and ask a movie usher  
who is he, he or she  
SFP, movies CD's, and TV's, but uh uh  
'cause the day I take a brake from that  
as I rule where a tank or a gas take me at  
I used to rock these  
now I rock the MB'S  
With twelves and V's  
Today sun up high  
in the Sky  
from NY  
La La me to MI

Refrain:

Just Crusin'

Golden arches got my belly goin' oh yes,yes  
so let just ease on down,. ease on down the road  
No pager roll my hip

Sun settin' in S-K-Y  
Must say I've had the best day I  
Tryin' to find an exit  
a place to chill not to hectic  
So I can spend some time with Will  
let the sun shine to the moonlight clearin' my mind  
soul search, see what I find  
If I'm being the best lover and friend  
am I being the best daddy I can

and I feel good today  
reminisce as I'm cruisin' around the way  
roll tight passed the park where I used to play  
Can't think of a better way to spend my day  
Uh, still findin my way  
still grwoin'  
petrol rowin'  
move soon showin'  
gots to get goin' losin' the light  
and the freaks come out at night
