

# Will Smith, Switch (Remix)

Ladies and Gentleman

Thankyou very much for coming out this evening

Yeah Thank You

Thank You

Please take the Dance Floor

Uh I would like to welcome you to the Switch remix

Now all you got to do is let your body move

And just (woo)

Vibe the vibe a second, it's a club girl why you arrived naked

Hear that, how the veteran glide the record

But don't download, go out and buy the record

Something sexy about a,

Girl on the floor, all her friends around her

I mean real clean, ain't gotta touch or nothing

It ain't like I like a chick on chick or something

Just a sucker for a hot track,

Gimme a drink and a chick to tell 'Stop that'

Dance is a hop and a clap, flip it round

Now bring it on back, break it down

Now Switch!

I don't want nobody sitting on the wall (Switch)

If you didn't come to dance then why'd you come at all (Switch)

Heres your chance (heres your chance)

Take my hand (take my hand)

Do that dance

Girl lets Switch

I gotta question, I need to ask somebody

Why is it that when y'all see me at the party

Y'all be looking like 'Ooo he a movie star

He ain't supposed to be out on the floor with everybody'

But oh wait, whoa y'all forgetting

When I was, amateur spitting before the scripts were written

First one in, last one out the club

Bursting in, passing out in the club

Back at it, this cat is the wit and the charm

Taking you higher like a syringe hittin ya arm

Bringing the fire, making you Benz ring the alarm

Let me see you clap, spin baby come on

Switch!

I don't want nobody sitting on the wall (Switch)

If you didn't come to dance then why'd you come at all (Switch)

Heres your chance (heres your chance)

Take my hand (take my hand)

Do that dance

Girl lets Switch

I don't want to see you standing when you look as fine as you (to the left one time girl)

I don't want to see you standing when you look as fine as you (to the back one time girl)
