

Will Young, All Time Love

Sometimes you walk by the good ones
'Cos you're trying to hard, too hard to see them
And sometimes you don't find the right lines
'Cos you're trying too hard, too hard to hear them
But you know what it feels like
'Cos you're like me
And you won't give up
'Till an all time love
'Cos nothing else is good enough
I want an all time love to find me

Some days you're too set in your ways
And you forget to shut up, shut up and listen
And some days you just have to misplace all your mistakes
Somewhere that you won't miss them
So stop lying that you're fine
'Cos you're like me
And you can't give up

'Till an all time love
'Cos nothing else is good enough
I want an all time love to find me

I don't believe that it's a failing
I don't believe that it's a fault
'Cos if everything were plain sailing
Oh tell me what would there be left to resolve

But an all time love
'Cos nothing else is good enough
I want an all time love to find me
I want an all time love
'Cos nothing else is good enough
I want an all time love to find me
