

Will Young, Beyond The Sea

Somewhere beyond the sea
Somewhere waiting for me
My lover stands on golden sands
And watches the ships that go sailing

Somewhere beyond the sea
She's there watching for me
If I could fly like birds on high
And into her arms I'd go sailing

It's far yeah beyond the stars
It's near beyond the moon
I know beyond a doubt
My cares will take me soon

We'll meet beyond the shore
We'll kiss just as before
Happy we'll be beyond the sea
And never again I'll go sailing

We'll meet I know we'll meet
Beyond the shore
We'll kiss just as before
Happy we'll be beyond the sea
And never again I'll go sailing

Together you and me
Beyond the sea
Beyond the sea
