

Will Young, Don't Let Me Down

Yeah-ah-yeah, Oh
Even though I'm scared,
And I'm not prepared
I need
To know
A way
To be oh so sure
That I can adore your heart (your heart) your soul(your soul) your love

Cos baby I care,
And I hope you feel the same (echo)

Dont let me down

I'm telling you that you're my baby
The world's gone crazy
This love we've found
Don't always come around (yeah----won't you dance)
So I'm telling you baby

I'm still around (echo)

Yeah
Ohhhhh-oh-oh-oh
Hhmmmmm-hm-hm

I apologise,
For the way that I
Describe
My mind
To you-ou-ou-ou.
With my love for you,
I would not fail to keep you true
It's all, (its all) I have, (I have to-do-do-do)

Cos baby I care,
And I hope you feel the same (echo)
Don't Deny Me

Dont let me down

I'm telling you that you're my baby
The world's gone crazy
This love we've found (echo)
Don't always come around (----won't you dance)
So I'm telling you baby

I'm still around

Cos you stole my heart
Yes you did

Cos baby I care,
I Hope You Feel The Same
Don't deny me (Dont leeet me doooown (echo), I'm telling you)
I'm telling you (that you're my baby, the world's gone crazy (echo)
This love we've found (echo)
Don't always come around (----won't you dance)
So i'm telling you baby yeaahhhh

Don't let me down (Don't let me down-down)
I'm telling you that you're my baby (you're my baby)
The world's gone crazy
This love we've found (we've found)

Dont always come around (----won't you dance)
