

Will Young, Going My Way

In time gone by, I lost my will
To try and find a clear way through
Now, it's been a while
Since I asked myself what to do
It's been a while since I played the fool
Cos they said "raise your game, leave the shame
in this place where you will remain
unless you save your soul"

Chorus

Now it's going my way
Forget the time that I did then
Now it's going my way
I look and everything's OK
I've got nothing much to say except
The life that I now lead
Is going my way
Going my way

It's been a while since I spent the day
The whole day wrapped up in my dreams
It took a while upstaging misery
It isn't all it seems
Now I smooth my hair, feeling tight
I'm getting into something right
Living beyond those days

Repeat Chorus

I don't understand how it came to
(How it came to)
I don't understand those depths of despair
(Those despairs)
I don't understand how it came to
(How it came to)
I don't understand reaching that despair
(Reaching that despair)

Repeat Chorus x2

Cos I've settled my mind

Settled my mind (to fade)
