

Will Young, Love The One You're With

If you're down and confused
And you don't remember who you're talking to
Concentration slips away
Cos your baby is so far away

Chorus
And there's a rose in a fisted glove
And the eagle flies with the dove
And if you can't be with the one you love honey
Love the one you're with

Don't be angry, don't be sad
Don't sit crying over good times you had
There's a girl right next to you
And she's just waiting for something to do

Repeat Chorus

Turn your heartache right into joy
She's a girl and you're a boy
So get it together make it nice
And you won't need any more advice
Repeat Chorus
