

# Willa Ford, I wanna be bad

Oh, I, I, I

I wanna be bad with you baby

I, I, I, I

I wanna be bad with you baby

Do you, understand what I need, need (from you)

Just let me be the girl to show you (you)

Everything that she can be is everything that I can be

I wanna be

My turn

Let me let you know that I can (I can)

Promise that I won't do that

So boy, say the time and place cuz you make me wanna misbehave

I wanna be bad

You make bad look so good

I've got things on my mind

I never thought I would

I, I wanna be bad (bad)

You make bad feel so good

I'm losing all my cool

I'm about to break the rules

I, I wanna be bad

I wanna be bad with you baby

I, I, I, I, I wanna be bad with you baby

What's up?

Tell me what to do, how to be, teach me

All you your rules from A to Z,

But I, I dont wantcha other girls to see

that youre messin' round with me

Should I boy

Tell me what I got is what ya want

Tell Tell me do I, I turn you on

I don't want no one judging me

I wanna be bad

You make bad look so good

I've got things on my mind

I never thought I would

I, I wanna be bad (bad)

You make bad feel so good

I'm losing all my cool

I'm about to break the rules

I, I wanna be bad

I wanna be bad with you baby

I, I, I, I, I wanna be bad with you baby

I, I

[Repeat]

I wanna be bad

You make bad look so good

I've got things on my mind

I never thought I would

I, I wanna be bad (bad)

You make that feel so good

I'm losing all my cool

I'm about to break the rules

I, I wanna be bad x2
