

William Hung, Free

I always knew that I would be the one
Be the one
Escape the nightmare I made through my mind
I sit and think about you all the time
All the time
I hope and pray that soon the day will come

Free I wanna be free
Free to love somebody
Free I wanna believe
That you wont hurt nobody
Free I wanna be free
Free to love somebody
Free I wanna believe
That you wont hurt nobody

I heard the intuit it made me cry
Made me cry
I could see fear in side of all their eyes
I hope this day will soon come to an end
Come to an end
So we can get to live and leave again

Free I wanna be free
Free to love somebody
Free I wanna believe
That you wont hurt nobody
Free I wanna be free
Free to love somebody
Free I wanna believe
That you wont hurt nobody
Freeeee

Wooooooahwoooooahwooooooooooahwoooooahwoooooah

Free I wanna be free
Free I wanna believe
Free I wanna be free
Free to love somebody
Free I wanna believe
That you wont hurt nobody
Freeeee

(That you wont hurt nobody)
