

Willie D, Fuck Me Now

Fuck me, fuck me
Fuck me, fuck me

I.. stick my dick in, and I watch you
One second later I got you
Doin like this, doin like that
My dick's big, it's fuckin up yo cat
Just like a vacume, no tellin how soon
You'll have to go to the damn bathroom
To check your pussy, catch a wind
How you think it feel to see a big old dick go in
Yo goddamn pussy, straight outta yo goddamn ass
You used to laugh when I'd ask
But now my dick's big at last
I'm down for fuckin, no more am I shy
All of you big cunt hoes who said I
Could only make you wiggle, only make you blink
But never make you cry
Fuck me now

Fuck me, fuck me
Fuck me, fuck me

Now bitches are hidin and runnin
I don't know why, I ain't burnin
Just fuckin the pussy like it's supposed to be fucked
You hoes all shoulda jumped
Off of my penis, what is this
Fuck a little bitty dick here
Get off that nonsense, it gives me jock itch
Leave that wiener, get you a sausage
I'm a real man, got the beef and the buns
But never understood how could one come
To my house, fuck me, turn around and suck me
The next day the bitch try to duck me
Rulin and schoolin, playin for keeps
I'm from 5th Ward where talk is cheap
I don't talk to her soft
I let my dick do the talkin and let the bitch scream her ass off

Fuck me, fuck me
Fuck me, fuck me

Fuckin needs instructions and I'm her damn teacher
Of course I'm glad to meet your
Boyfriend couldn't make you come
Then the stupid punk look at ya like you're dumb
I'm bigger and better, downright evil
Everytime I bang that ass I leave her
Holdin yo pussy like a damn balloon
You can stick your fist in it and still have room
Respect - this you can bet
This here dick ain't nothin short of perfect
Split your lips, hurt your hips
Never do it slip, got veins that grip
Make a skinny girl wanna scratch my ass
Make a fat hoe lose weight real fast
If you're a virgin I make your pussy go "aawww!"
You wouldn't dare wanna fuck me now

Fuck me, fuck me
Fuck me, fuck me

It pissed me off when I heard

This bitch I know I hurt
Runnin round Acres Homes sayin she didn't cry
The bitch lied, she damn near died
I was hard, like a fastball pitch
Don't you know that I fucked that bitch?
Just like a convict, hit her with a slab of this done dick
And made sure that she didn't
Didn't escape, that woulda been a mistake
Cause then the bitch woulda got raped
After that I make her take a douchy
Then I would dust and bust her pussy
Make her feel the pain, fuck her damn brain
And when I'm finished, then I would ask her
Who is the best, and if she didn't say Willie Dee
I'd take my dick and make her call herself Kizzy
Fuck her good, then I make her sweat
Always talkin 'bout a dick, but she ain't had one yet
When I fucked her she shitted a brick
Now the bitch scared to even touch dick
My dick is growin out of control
You're nothin but a brother with a little girl hoe
This muthafucka's big enough to dry a cow
Never touch another dick if you fuck me now

Fuck me, fuck me
Fuck me, fuck me
