

# Willie D, I Need Some Pussy

(...to pay my respects to - pussy)

( Willie D )

I ain't had no pussy all goddamn day  
My dick is achin for some play  
I gotta wear a jockstrap, y'all  
Cause my dick keeps bustin out my goddamn drawers  
I need some pussy this muthafuckin minute  
Show me some pussy and I'ma go up in it  
I'm so damn horny tonight for smash  
That I'd fuck Whoopie Goldberg ugly ass  
I need some pussy

( Willie D )

Pussy, pussy, pusssy..

( Choice )

Willie Dee, make a wish, fuck that bitch  
I got plenty of pussy for yo hard-ass dick  
No bangin for pleasure when we're bonin  
Cause Choice'll give it to ya like you want it  
I spread my legs wide open, let you work that cock  
If you get tired, rest and I get on top  
That'll be satisfaction guaranteed  
I be here for you baby, whenever you need  
Some

( Willie D )

Pussy, pussy, pusssy..

( Willie D )

My dick is harder than a muthafuckin goddamn rock  
I need pussy like a hog needs slop  
It's happened before, but it's worse tonight  
Because i'm callin up bitches that I don't even like  
I'll fuck you bitch, just ask me  
As long as the muthafuckin pussy ain't nasty  
Whoever I fuck is gonna wish  
She never ever felt this hardy-yardy-ass dick  
I need some pussy

( Willie D )

Pussy, pussy, pusssy..

( Choice )

Good love is what I'll be givin ya  
I got a pussy 'bout the size of Bolivia  
So let me know when you wanna scramble  
Ain't a man in the world that Choice can't handle  
Don't have to worry 'bout the clinic when I play fussy  
I got some nice, clean, good pussy  
And if you lose your balance, don't feel bad  
I got plenty of ass for you to grab  
A queen on the scene when it comes to sex  
Other bitches are peachy but I'm rated x  
I be your lady, not your bitch or your skeezer  
Pick up the phone, I'm all alone if you need some

( Willie D )

Pussy, pussy, pusssy..

( Willie D )

I need some pussy and I'm comin to get it  
I'm packin horse dick, so get the Vaseline ready

And have a Tampon or Cotex around  
Cause I'ma fuck ya till your muthafuckin period come down  
You say it ain't no man you can't handle  
I put humps in your back like a goddamn camel  
Yo, I run a mile for speed  
And still I'll fuck any pornstar that you ever seen  
Pussy, pussy, pussy, that's what I want  
When I get to your pad, don't say that you don't  
Wanna let my bone, meet your ham  
Cause I'll strip you butt-naked and take yo goddamn

( Willie D )  
Pussy, pussy, pussyy..

(Pussy -  
Pussy ain't nothin but a greasy split  
The ass though ain't but an inch from it  
And if you miss that greasy split  
You will end up in a bowl of shit)
