

Willie Dixon, Move Me

Yeah, shake me, baby
Like a leaf on a willow tree
Yeah, shake me, pretty baby
Like a leaf on a willow tree
I told you to shake me so long
'Till cold chillis run all over me

Rock me, mama
Just like grampa
In his old rockin' chair
Yes, rock me, pretty baby
Like grampa
In his old rockin' chair
I want ya to rock me so long
'Till you send me away from here

(sax & instrumental)

Yes, roll me, baby
Just like gramma roll her dough
Yes, roll me, baby
Just like gramma roll her dough
I want you to roll me one time
Like you never rolled befo'.
