

Willie Dixon, Nervous

When my b-b-baby calls me d-d-daddy
And she c-c-call me real slow-sh
I a-ask her what she want
And she says ' I-I don't kn-know'
I get nervous
M-m-man. I get nervous
I'm a n-n-nervous man
And I t-t-tremble all in my b-b-bones

A-when she take me in her arms
And she squeeze, squeeze me tight
Start to sh-shakin' in her voice
And she say, 'Ev'ry-th-thing's alright'
I get the n-nervous man
Man, I-I-I get nervous
I'm a n-n-nervous man
And I t-t-tremble all in my b-b-bones

(guitar & instrumental)

Now, a-when my b-b-baby
K-k-kiss me, f-f-f-feel like-a
L-l-l-lightnin' hit my b-b-brains
My heart b-b-beat like thunder
And she call me's baby names
I get-a n-n-n-nervous
M-man, I-I get nervous
I'm a n-n-nervous m-m-man
And I t-t-tremble all in my bones.
