

Willie Dixon, Wigglin' Worm

Let's do the wigglin' worm
Let's do the wigglin' worm
I can do the wiggle and you can too
Let's get together now me and you
So let's do the wigglin' worm

I got a wiggle that a worm ain't got
If you wiggle with me you're gonna be red hot
You wiggle to the right
You wiggle to the left
If you feel real good
You can go for yourself

You can wiggle all day or you wiggle at night
Wiggle anytime that you feel right
You wiggle cause it's real or
You wiggle 'cause it's fake
You wiggle like a lizard
Or wiggle like a snake
