

Willie Nelson, Black Night

Nobody cares about me
Ain't even got a friend
Baby's gone and left me
When will my troubles end

Black night is fallin'
Oh, how I hate to be alone
I keep crying for my baby
But now another day is gone

"Dr. John"
"I've got no one to talk with
To tell my troubles to
Don't even know I'm living since I lost you

Black night is fallin'
Oh, how I hate to be alone
I keep crying for my baby
But now another day is gone"

My mother has her troubles
My father has his too
My brother's in Korea
And I don't know just what to do

Black night, black night is fallin'
Oh, how I hate to be alone
I keep crying for my baby
But now another day is gone
