

Willie Nelson, Deep Water

I'm drifting into deep water
I'm starting to care for you
And you're getting me in deep water
Be careful what you do.

You want a romance
and I'm sick in love
I know I'll regret it when it ends
I'm drifting into deep water
Why can't we still be friends.

It's so restless in this deep water
And I'm caught between right and wrong
My love's as true as deep water
Your love won't last that long.

Where will it lead me and when will it end
I can't help but wish I only knew
And I'm drifting into deep water
So deep in love with you.

I'm winding up in deep water
So deep in love with you.
