

Willie Nelson, Do Right Woman, Do Right Man

Take her to heart
And she'll always love you
And nobody can make her do wrong
But take her for granted
Leavin' your love unshown
Makes will power weak
And temptation strong
A woman's only human
This you should understand
She's not just a plaything
She's flesh and blood
Just like her man
And if you want
A do right all day's woman
You gotta be
A do right all night's man

(guitar)

A woman's only human
This you should understand
She's not just a plaything
She's flesh and blood
Just like her man
And if you want
A do right all day's woman
You gotta be
A do right all night's man
